NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Noticed last week that if the revenue sharing bill becomes law in the near future as is expected, the City of Hamlin will benefit some \$67,137. This is somewhat better than the \$27,647 reported earlier.

Don't know why the difference in the two figures, but the latest figure is much closer to the figures released earlier in the year.

One thing I do know is that the check will be a welcomed sight to the city daddies when it does get here.

Under the new figures, the county will receive some \$171,346. Hope that out of all that money our county commissioners can see their way clear to put at least one deputy and a car in the north part of the county.

In looking over the weeklies that we receive each week from all over West Texas I notice that most of them are opposed to this revenue sharing program. Also noticed that the Abilene Reporter-News opposes it editorially.

Personally, I have mixed emotions about it. The most telling argument against it is that the federal government does not have any revenue to share. It is hard to find fault with this argument, but I only wonder how come we always seem to find money for a lot of other programs that have a whole lot less merit.

Maybe we could take out the money for the revenue sharing program first and tell the people studying the mating habits of some rare bird in Alaska that we are sorry but we do not have enough money left for their pet project. Or, we might even get so brave as to tell some of the able-bodied welfare recipients that we are tired of supporting them.

As to the merits of the program itself — I still believe that if the federal government is going to help the people of Dallas or Hamlin with some of their problems I would much rather have the locally elected officials spending the money than I would some Washington appointed bureaucrat.

And since Congress just seems to have a compassion for spending more money than it has I guess I would rather see my money spent here in Hamlin than I would off some place I have never heard of.

Bob Hamilton, publisher of the Iowa Park Leader speaks out on something in his column that has been bothering me too. Writing in his column, "As I See It..." last week Bob said:

"Americans need to think more for themselves now than ever before, it appears. There are two dooms day boys barking so loud about the plight of the United States, there just doesn't

RANKED NO. 1—

Pipers to Play 'Cats In Childress Friday

The Pied Pipers will travel to Childress Friday night to take on the Number One ranked team in Class 2A. Kickoff is set for 8 p.m.

The Bobcats have rolled up some high scoring victories this season but were held to a 16-0 victory over Stamford last Friday while the Pipers were losing to a strong Coahoma team, 40-18.

Assistant Coach Bill Grissom told the Booster Club here Monday night that except for some bad breaks the Pipers might have beaten Coahoma. He said that the team was getting closer to putting it all together, but they still have some things to work on.

Childress has 19 lettermen back from last year's team that was defeated by Eastland in the Quarterfinals. Their big threat is running back Larry Johnson

(167, Sr.) who as a sophomore ran for 904 yards and as a junior carried for 1,446 yards. Against Hamlin last year he carried 20 times for 98 yards.

In the back field with him will be Quarterback Turk Nelson (162, Sr.) who is rated as a real good signal caller. Last year he carried five times in the Hamlin

game for 27 yards and completed 3 of 14 passes for 49 yards. At fullback will be big Floyd Key (191, Jr.) who was the second string fullback last year as a sophomore. At slotback will be Jerry Neal (155, Sr.) who has good hands and fair speed as a receiver.

In the line, the probable starters will be Danny Lancaster (185, Sr.) at tight end, Curtis Smith (150, Sr.) at split end, Shane Morey (172, Jr.) and Neil Barber (180, Jr.) at tackles, Jarvis Johnson (160, Sr.) and Joe Crain (168, Sr.) at guards, and Bobby Love (178, Sr.) at center.

On defense the front four for Childress will be Reed (163, Sr.), Martin (172, Jr.), Compton (159, Sr.) and Smith (170, Sr.). Playing linebackers will be Atkinson (141, Sr.), Lewellen (215, Sr.) and Kaye (170, Sr.). At the corners will be Bird (145, Sr.) and Overby (163, Sr.) and at halfback will be Wood (155, Jr.) and Neel (155, Sr.).

There will be no reserve seat tickets for the game and general admission tickets can be bought at the two South gates for \$1.75. Hamlin fans are urged to use the South parking lot.

Students will be dismissed from classes at 3 p.m. Friday for bus routes to be made in time for the trip to Childress for the football game.

Student tickets may be purchased here at the school for 75 cents. At Childress student tickets will be \$1.00.

Mrs. Campbell Speaks At Opening Luncheon Friday

Mrs. Frank Campbell of Rule was guest speaker at the opening luncheon of Woman's Literary Club at Frazier's Cafe in Aspermont Friday.

Mrs. Campbell, 1971 Mesquite District Club Woman of the Year, and longtime member of federated women's clubs, was introduced by Mrs. L. O. Hughes, program director and second vice president.

The luncheon also honored the club's president, Mrs. Jackie Williams.

Mrs. Campbell, speaking to the group on federation, em-

phasized the importance of other R's besides the three R's of education. She spoke on the three R's of Respect, Reverence and Responsibility.

She also encouraged action as well as study on the part of the club members. The various departments in federation were also explained.

The invocation was given by Mrs. A. A. Hackley. A poem in memoriam to Mrs. Dick Maberry, written by Mrs. Donald Young, was read from the yearbook by Mrs. Hughes.

Yearbooks were distributed by Mmes. Hughes, Hackley, and Johnny Waldrop.

New members introduced were Mmes. Arnold Griffin, Joe Cowan, John Poe and Opal Smith.

Guests attending were Mmes. Joyce Edmiston of New Mexico, Mrs. B. H. Gardner and Mrs. Ruth Parker.

Table decorations were brightly decorated golden slippers filled with flowers. The head table was centered with assorted fall flowers arranged in an open handbag.

MEMBERSHIP BUCKET PRESENTED — Miss Ila Griggs of Abilene, guest speaker at the Tuesday evening meeting of Business and Professional Women's Club, presents a membership 'bucket' to Mrs. E. W. Ueckert of the local club to encourage increased membership. Mrs. I. R. Witt, left, introduced Miss Griggs, B & PW director for this district. Mrs. Frank Shearer, right, presided at the dinner meeting in Hamlin Restaurant.

Quarter System Outlined for P-TA Thursday

County Superintendent Everett Beaver and Hamlin school Superintendent Robert Hawes were speakers for the Thursday afternoon meeting of the Hamlin Elementary Parent-Teachers Association. The subject presented was the four quarter system for public schools.

Supt. Beaver outlined the four-quarter system and Supt. Hawes conducted a question and answer period in which the advantages and disadvantages of the system were brought out.

In the presentation it was mentioned that there was some speculation on the part of some school administrators concerning the new system and this group is hoping that the system will be optional for a time to allow more time for study. Larger schools with more crowded conditions seem to favor the system. Few surface changes would result in the change to three quarters since there would be 60 reporting days in each of the three quarters as compared to the 90 reporting days in each semester in the present setup. More complicated would be the change from the Carnegie credit system to the quarterly credit system.

Hosting the event were John and Martha Ferguson, Bobby and Velta Hastings Kiser, Jerry and Margaret Maberry Smith, and Roddy and Carolyn Ray Ezell of Abilene.

Attending were Charlene Berry McCright of Roby, Ray and Martha Jordan Crane of Fort Worth, Raley and Janet Smith of Arlington, Thersia Carlan McKeever of Denver City, Alvin Houghton of Arlington, Warren and Diane Reynolds, Don Brown, the Fergusons, Mrs. Kiser and Mrs. Ezell.

A class reunion marking the 10th anniversary of graduation from Hamlin High School was held by the Class of 1962 in the home of Mr. and Mrs. John Ferguson Jr. Saturday afternoon.

The Rev. Johnnie Williams gave the opening prayer. Mrs. Milton Carter presided. Mrs. Jack Wicker introduced the speakers.

The fourth grade presented entertainment on the South of the Border theme.

Room count was won by Mrs. F. Shout.

Mrs. Mary Ella Brown gave the closing prayer.

FORTY-THREE YEARS AGO
(October 11, 1929)

Parent Teacher's Association of Hamlin met for the first time since the new school term. A study course, "The Drifting Home," was adopted for the coming year. Also, there will be interesting programs planned.

The two sweet cream routes in Jones County delivered 2171 pounds of butter fat to the Creamery at Stamford during the month of September, probably the lowest month of production of the year. The above amount of butter fat brought the producers on these routes a total of \$1,085.50.

Hamlin Lions Club is now fully authorized and entered on the list along with the others that spread over the nation. They received their charter at the hand of the Deputy Governor, Tom N. Carswell of Abilene, Tuesday evening at the Methodist Church basement in the presence of many visiting Lions and their ladies from Abilene, Anson, Rotan and Aspermont.

The Cemetery Association will serve a dinner at the Club Cafe building this Saturday, 50 cents per plate. This small amount will aid those who are looking after the cemetery. Go eat with them and in a small way help.

TWENTY YEARS AGO
(October 10, 1952)

Hamlin area people were given a taste of winter Tuesday night when the mercury skidded below freezing long enough to form a little ice at several places around town. Temperatures began to rise again during the day Wednesday, and by mid-afternoon air conditioners were put into operation again after a several-day rest.

Election for supervisors for Zone 4 of the California Creek Soil Conservation District will be held October 14 at 7:30 p.m. at the Hamlin High School, officials of the district announced this week.

Hamlin Flower Shop this week completed the move into its new quarters in the former post office building on Southwest Third Street, just west of the bank. The building was remodeled, with large green-tinted show windows being installed and glass double doors replaced the old wooden ones. The shop formerly occupied the old West Texas Utilities Company building on South Central Avenue.

Stockholders of the Hamlin Memorial Hospital Association will meet in annual session Sunday afternoon at 3:00 o'clock at the high school auditorium.

Neinda Philosopher Comes Out for Law To End Big City Football Black-outs

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One tackles a serious problem this week, approximately.

Dear editor:

Everybody has heard about the blight of the cities, the ghettos, the inner city turmoil, the power failures, the crowded schools, crime in the streets, burglaries, triple-locked apartments, drugs, police corruption, high taxation, un-repair streets, garbage pile-ups, hopeless traffic jams, pollution, cross-town pupil busing, corruption, near bankruptcy, but how desperate big-city life finally has become has just now come to light.

It's the television black-out home games.

As I understand it, if you live in a city big enough to have a professional football team, the only way you can see your team play at home is to buy a ticket to a seat in the stadium. No home games are televised in the home city. Any T.V. station reaching the city is blacked out as far as

ages. Money made during the carnival will be used for projects and youth programs that are sponsored by the jaycees.

The McCaulley Ex-Students will meet at the gymnasium of the McCaulley High School Saturday, October 20, for the annual homecoming. Registration will begin at 1:00 p.m. preceding the football game with Blackwell at 2:30 p.m.

The October issue of the Hamlin telephone directory was mailed October 10 to subscribers here. This year's directory has a white cover and contains 16 "white" or alphabetical pages with more than 1,400 listings. The convenient classified section of "Yellow Pages" contains 24 pages.

The last of three Cub Scout Leaders Training sessions will be held here Monday evening at 7:30 p.m. in the primary cafeteria. Den and Pack activities will be the topic used for the final session.

seem much to live for.

"I'm speaking of George McGovern and Ralph Nader.

"For a man seeking to lead the United States from the president's office, there should be something good about the nation. But I've heard nothing from him and his office except bad, evil, doom and dismay.

"In this man's eyes, our country's done nothing right and everything wrong.

"Maybe we can do something about that, George, and reject you next month.

"Now, about the man who feels like business and government is out to drain the general public and give nothing in return: Nader.

"Have you ever heard anything constructive from this man? He lambasts everything and everyone. And what makes it even worse, the national news media thrives on his every word.

"Maybe they've got something to pick at, and something to say. I don't doubt they have found errors and faults.

"There's something wrong with everything. But there's something right about everything also. It just so happens the wrong things are often easier to find. Or is it just attitude?"

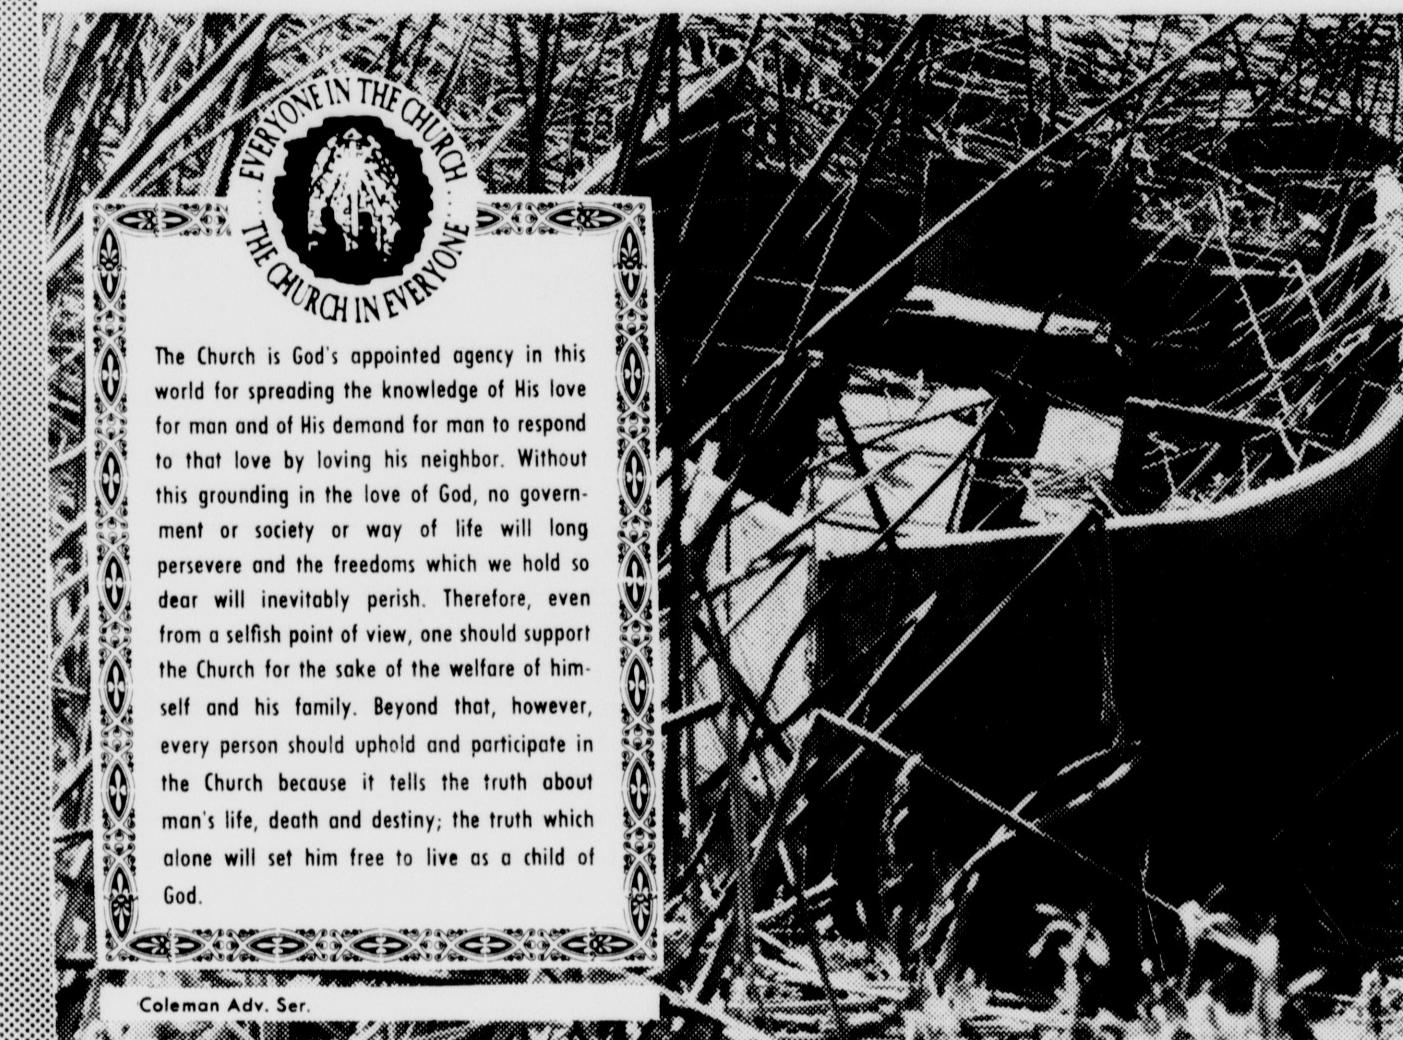

I agree with Bob about both these men, but at least in McGovern's case you know what he is after — the presidency. Don't approve of his methods but still I know what his goal is.

But in the case of Nader, I can only wonder.

BEACHED... and forgotten!

This old forgotten boat is almost buried in the reeds. Can this boat in any way be compared to our talents? What of these talents that God has given us? Have they been beached, forgotten, buried?

Heaven expects us to help in this matter of creating a better world where brother helps brother by using to the fullest extent the talents He has bestowed upon us. God always provokes and prods mankind to do good works, and accomplish great things. And He says that if we dedicate ourselves to this matter He will help. But the decision to use our talents and develop them is our choice.

PICKS UP YARDAGE — Sophomore Halfback Johnnie Jones (24) picks up yardage before being stopped by an unidentified Coahoma Bulldog Friday night in the game won by Coahoma, 40-18. Jones carried 23 times for 72 yards in the contest. (Photo by Tim Jones)

IN HOMECOMING TILT—

Fumbles Prove Costly As Pipers Fall to Coahoma

The Pipers took the fight to the Coahoma Bulldogs here Friday night in their annual Homecoming battle until they lost two costly fumbles, which the Bulldogs quickly turned into touchdowns. With this two touchdown advantage, the Bulldogs went on to win the game 40-18.

In what appeared to be a scoring duel, the Pipers put together two scoring drives of 57 yards and 85 yards, only to have Coahoma come back and match their touchdowns each time and add the extra points. Coahoma held a three-point edge when the Pipers gave up the ball on their own 27-yard line on fumble. Seven plays later the Bulldogs were ahead 21-12.

Following the kickoff the Pipers fumbled again, this time on their own 38-yard line and Coahoma was in to score again eight plays later to lead 27-12 at half time.

Quarterback Roland Beal, who does everything for the Bulldogs - runs, passes, punts, kicks extra points and runs the Wishbone offense to perfection, was the night's leading ground gainer with 111 yards in eight carries. He was followed by Hamlin's Johnny Jones who had 72 yards in 23 carries.

Following the opening kickoff, halfback Jones and fullback Albert McAfee teamed up to drive the ball down to the Coahoma 16-yard line where the Pipers faced fourth down and needing seven yards for a first, quarterback Milton Jones connected with his Split End Bill Cork for a first down at the Coahoma six. Johnny lost three yards back to the nine and then raced around his right end for the nine yards and the score. David Willis' try for the point failed.

Following the kickoff, the Pipers fumbled on a point try failed. The Pipers moved from their own 23 following the kickoff to the Coahoma 48 before losing the ball on a fumble back on their own 38. Eight plays later Beal scored around his right end for the seven. The two

point try was again no good. Opening the second half the Bulldogs moved to the Hamlin eight before giving up the ball on downs. The Pipers punted from the 14 with the Bulldogs taking over on their own 42. Nine plays later Choate scored from the two. Beal kicked the point after.

Hamlin drove down to the Bulldog 17 before being pushed back with a 15-yard penalty. They gave up the ball on the 35 and then exchanged punts with the Bulldogs.

Taking over again on the Hamlin 49, it took the Bulldogs 10 plays to reach pay dirt with Freddie Franklin going around his right end for 17 yards and the score. Beal's kick was no good.

Milton returned the kickoff back to the Hamlin 30 and then took to the air as he connected with Cork for four yards. George Titus for 12, Cork again for 16 and then six to the Bulldog 30. McAfee carried for two and then Milton passed to David Willis who was alone just outside the endzone for the score. The pass was good for 28 yards and the score. The pass for two points was incomplete.

The final score was Coahoma 40 and Hamlin 18.

DON'T TAKE RURAL TEXANS FOR A RIDE... ...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL — Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES — Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES — Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS — Big Business first, the public second — that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING — George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES — His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES — He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS — George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

Wow! Last week was declared "Spirit Week" by the Student Council and it really was. The spirit in HHS reached an all time high. Even though the students were busy all week, finishing their class floats, they somehow found time to "raid" the football field Monday afternoon and form a "Spirit Train" Thursday night. Officer Gillian and the Fire Department added to the "Spirit Train," too. Thanks to everyone who followed!

During the pep rally the Sophomore girls presented Coach Bonds with a huge green cake for the boys and the cheerleaders gave each boy a yo-yo and encouraged them to yo-yo their way to victory. Confetti, balloons, pots and pans, drums, whistles, and clackers brought the crowd up so high that the cheerleaders couldn't even control them. It was fantastic!! The crowds chanted for a speech from Coach Dechairo and afterwards David Thompson expressed the boys' appreciation for the strong support.

hhs
Forty-one girls have signed up to form a Spirit Club. The girls met with the cheerleaders last week and decided on a uniform and are trying to get everything cleared for Childress. Mrs. David Bonds has volunteered to sponsor the girls.

hhs
And this week has already started off well. The FFA girls escorted the fathers to Booster Club Monday night and enjoyed punch and cookies made by the third year homemaking girls. Coach Bill Grissom did a fine job of hosting the Booster Club. Have you attended Booster Club this year? Hope to see you at Childress!!!

And remember:

If you think your house isn't so great, put it up for sale and listen to the realtor describe it.
